- 2% tuition discount for an annual payment plan (due by Aug 20)
- KDG enrollment discount for eligible students
- Financial assistance for eligible families (see page 2)

How does our tuition rate compare to other Lutheran and parochial schools?

We do an analysis of area schools each year to be sure our tuition rates are competitive with other faith-based schools and preschools. Our tuition fees are ranked in the middle of area private and parochial tuition fees (we are neither the highest nor lowest).

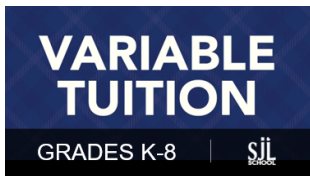

Worried about tuition costs?

Tuition is an investment in the life of your child. And you know that the quality education you want for your child at St. John's relies on your tuition support. That's why we offer needs-based financial aid through our enrollment process.

Don't let questions about finances stand in the way of your student receiving a quality, faith-based education. St. John's awards more than \$300,000 in financial aid and tuition discounts each year to qualifying families. We strive to keep our school affordable for families who desire a quality Christian education; it is our goal that money will not deter qualified families from joining our St. John's family.

The school is a ministry of the church. How does the church support the school?

The church supports the school by funding the facilities, utilities, and other operational costs of the school. The church also provides monetary support to help balance the school budget. In the past three fiscal years, the church has provided \$150,000+ each year for school financial support.

To reach students and families who desire a quality Christian education, St. John's offers Variable Tuition for children enrolled in Grades K-8. In our Variable Tuition model, we set a maximum and minimum

tuition rate to cover educational costs. Some families may pay the maximum tuition, others may pay a reduced tuition.

This program allows families to apply for reduced tuition that is right for their family's financial situation. Any family may apply for Variable Tuition if they are concerned about affording the full tuition rate at St. John's and they think they may qualify for the program.

What is Variable Tuition?

Variable Tuition is a needs-based reduced tuition program.

This program allows families to apply for reduced tuition based on their families' unique financial situations. This makes St. John's Lutheran School affordable to many students who could not otherwise join our school. And these students contribute to our school community, enhancing the experience for all.

How do you apply for Variable Tuition?

Families may apply for Variable Tuition if they are concerned about affording the full tuition rate and if they think they may qualify for the program.

Families apply for Variable Tuition through FACTS. Many things are evaluated when determining the tuition rate a family can pay, including income, assets, investments, expenses, debt, household size, etc. The resources available to a family are also considered.

Should every family apply for Variable Tuition?

No. Only those families that are unable to pay full tuition should complete the financial aid application.

Are some families awarded \$0 tuition?

No. Everyone is required to make a financial investment in their child's education. Every family will contribute to their child's education costs.

Do I need to apply for Variable Tuition every year?

Yes. A new application is needed each year.

Will Variable Tuition lead to larger classes?

No. St. John's has established maximum class sizes in Grades K-8. Within each class size limit, St. John's may accept qualified students that add to the culture of learning at St. John's based on merit and seat availability.

Do I need to enroll my child at St. John's before applying for Variable Tuition?

Yes, St. John's must accept your child's enrollment before you start the Variable Tuition application. Please talk to our administrative staff with questions.

FINANCIAL AID and OTHER FINANCIAL INFO

Who is eligible for discounts, financial assistance, and scholarships?

With increasing tuition costs, St. John's offers increasing financial assistance to families. It is our goal that all families desiring a Christian education for their children would have the opportunity to enroll them in St. John's Lutheran School regardless of their income, financial status, or ability to pay tuition.

Tuition discounts are provided to families with eligible students. Financial assistance and scholarships are awarded to K-8 students and families on need-based eligibility (as determined by the completed FACTS financial aid application).

How do I apply for financial aid?

NEW FAMILIES: You must complete the FACTS enrollment process before our school will determine a financial aid award. Go to stjohnsarnold.org and click on the APPLY button to start the enrollment and financial aid process.

FINANCIAL AID online application is available for any K-8 family. St. John's uses FACTS to determine a family's financial status and need objectively and confidentially.

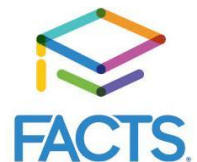

FACTS financial aid applications that are submitted and completed by April 15 each year (for the next school year) will have an increased likelihood of optimal assistance. Financial aid applications may be submitted at any time, but those applications completed after April 15 may have limited funds available to meet a family's identified need.

LESA SCHOLARSHIP. The Lutheran Elementary School Association (LESA) offers need-based scholarships to students attending Lutheran schools in the St. Louis metropolitan area. **LESA also uses FACTS to analyze family financial status; you can use the same application for LESA and St. John's.** Applications must be submitted and completed by April 15; go to lesastl.org/tuition-aid for application and information.

How can I pay my tuition and school fees?

Tuition fees can be paid in annual, semester, or monthly payments. With the FACTS system, you can pay your tuition and school fees by

- ACH (Automatic Payments)
- Credit Card
- Electronic Checks
- Checks
- Cash

Contact the school office to get info on payment plans and payment options.

Contact our school office at 636-464-7303 or school@sjlarnold.org to get answers and information.
